

COMING TO ORLANDO Save the Date: June 2009

The Church of the Nazarene will hold its 2009 General Assembly in sunny, family-friendly Orlando, Florida. It will be an inspirational time of fellowship and learning where you can connect with other church members from around the world.

General Assembly will be the culmination of our centennial anniversary celebrations. During this time together, we will look back on our church's remarkable history . . . and look forward to shaping strategies for the future.

Whether you're part of a large or small congregation . . . or an urban or rural church, we're sure that you'll find the 2009 General Assembly to be a meaningful and spirit-filled event. From *One Heart, Many Hands* service opportunities . . . to a glorious, multi-national Sunday worship service . . . to our first-ever "Friends & Family Day," General Assembly truly has something for everyone.

Please prayerfully consider joining us next June in Orlando. This is an event you don't want to miss.
